I'm in love with your brother
what's his name?
I thought I'd come by
to see him again
when you two danced
oh what a dance
when you two laughed
oh what a laugh
has he mentioned my age love?
or is he more into young girls with dyed black hair?
I'm in love with your brother
I thought I'd come by

I'm in love with your brother
yes I am
but maybe I shouldn't ask for his name
and you danced
oh what a dance
and you laughed
oh what a laugh
does he know what I do?
and you'll pass this on, wont you?
and if I ask(s) him once what would he say?
is he willing?
can he play?

if I ask(s) him once what would he say?
is he willing?
can he play?

does he know what I do?
and you'll pass this on, wont you?
and if I ask(s) him once what would he say?
is he willing?
can he play?
