"We Share Our Mother's Health"

We came down from the north
Blue hands and a torch
Red wine and food for free
A possibility
We share our mothers' health
It is what we've been dealt
What's in it for me?
Fine
Then I'll agree

Trees there will be
Apples, fruits maybe
You know what I fear
The end is always near
X2

Say you like it
Say you need it
When you don't
Looking better
Shining brighter
Than you do
X2

(Repeat the 'Say you like it' sequence with the 'Trees
There will be' sequence until end...)
