So many reasons to sing them, 'cause(cham)- true ghetto story

Now we got the kingdom

(cham)- i remember those days when hell was my home

When me and mama bed was a big piece of foam

And me never like bathe and my hair never comb

When mama gone a work me go street go roam

I remember when danny dem take me snow cone

And make him little brudda dem kick up jerome

I remember when we visit them with pure big stone

And the boy danny pop out something wit full chrome

I remember when we run, fatta get him knee blown

And me best friend richie got two in him dome

I remember seventh avenue turn in a warzone

And mikey modda a fly him out 'cause she got a loan

But, mikey go to foreign and go turn al capone

Make whole heap a money and say me now ah own

Now a we a lock the city and, that is well known

Yesterday mikey call me up on mi phone

Rah rah rah rah

(alicia keys)- i remember those days when we was  
dead broke  
And i could barely find a dollar for a token  
Hop in the train just to get where im goin  
Popos after me and runnin like im smokin  
Remember those days when i went to bed hungry  
All i ever ate was white rice and honey  
Big dreams in my head  
Empty in my tummy  
Might crack a smile but  
Aint nothin funny  
I remember playin over needles in the street  
Everywhere i go a man wants some part of me  
Dirty dirty hookers and hoes on eleventh avenue  
Selling bodies for dope  
I remember crying saying that will never be me  
Gonna make it someday gotta be somebody  
Mommy don't worry  
Its just you and me  
But one day we will get out of this misery

(chorus)-we get de ting-dem  
Dem outta luck now  
Me squeeze seven and the whole a dem a duck now
