If I was a bird  
I would fly high over the world  
Come home at night to your garden  
build a nest among the branches  
and I'll comb your hair with my beak

If I was a bird  
I would count my time in pearls  
Under my wings you'll find shelter  
you'll breed bugs and keep me well fed  
and I proclaim the reason why I'll have to fly

But you wanted me to be a girl  
without feathers without urge  
then my wings quick dissappeared  
and left was only fear  
and I proclaim the reason why I'll have to fly

proclaim the reason why I'll have to fly  
I'll have to fly
