Intro:

Baby, i know that right about know  
you might think we ain't gonna make it.  
But don't worry, believe in me  
And call my name whenever you need me  
I'll always be there for you  
no matter what my daddy says

Chorus:

Daddy i'm in love with a thug  
daddy i'm in love with a gangsta.  
daddy i'm in love with a thug,  
dont be mad cause i'm in love with a gangsta

(knightowl)

i never thought that i would meet the girl  
that would stick around even though  
you told me that your parents used to say " I TOLD YOU  
SO! "

he's a bald headed gangsta,  
and through his eyes I see insanity  
but girl that never stopped you,  
and till this day i rock you  
your my girl, and your the one  
thats always been around  
when i needed love, you held me tight,  
you kissed me through the night.  
people told you that i was violent,  
people told you that i was crazy,  
but still we both remained as one  
when you feel pain, i feel the pain.  
you never left my side,  
when you was mad,  
you kept it all inside  
you never told me,  
matter of fact you used to hold me  
and that is just like loving  
Like the world was made for me and you  
Your so damn strong, I dedicate to you this song.  
Cause your the woman, thats seen

the way i've now became a man.  
I now make money off my rap,  
don't need to take fools off the map.  
But i will if i have to.  
Don't think that I went soft.  
All things be the same.  
I'll put a hole inside your brain.

(chorus)

Daddy i'm in love with a thug  
daddy i'm in love with a gangsta.  
daddy i'm in love with a thug,  
dont be mad cause i'm in love with a gangsta (2xs)

(chorus)

i'm a thank you for them times  
you put a smile upon my face  
you've always been able to make me see  
that life be rough but i be tough  
i gotta keep on fighting  
all them trials and tribulations  
life aint never been fair  
but i gotta stay on top to make it through.  
i gotta make it  
cant let no motherfucker take it.  
i always keep it real  
with the shit that i reveal.  
i cant let go, them evil thoughts  
that creep up all inside me.  
i gotta maintain composure  
cause the devil walks beside me.  
got good and bad upon my shoulders  
but i feel them heavy  
im so deranged  
my minds insane  
i'm cursed, I'm dead already  
now what am i to do  
when death keeps calling out my name  
i feel the pain  
but i wont complain  
i'll sit and watch the rain  
i start sitting and reminiscing  
bout them times we used to have  
all them times we still be having  
cause its you that gots the man in me  
thoughts that make me see  
how much i love you  
i put no one above you  
and i'm always thinking of you

(chorus)

Daddy i'm in love with a thug  
daddy i'm in love with a gangsta.  
daddy i'm in love with a thug,  
dont be mad cause i'm in love with a gangsta

(knightowl)  
i wanted to sweat you  
since the very first day that i met you  
but girl you made me wait  
do you remember our first date  
i tried to grab your hand  
you pushed me back and told me to stop  
when all that i wanted to do  
was hold that hand try to make you mine.  
whoever thought that you and me  
would get to be what we now be.  
two joined as one forever  
you and i we'll stick together  
baby your the one  
that made me realize  
that life is what you make it  
and without you I wont make it.

(knightowl talking)  
thats right  
i know yous in love with this gangsta  
a real g coming out that sd  
baby, its just you and me  
for eternity  
know what i'm saying?

(chorus)  
Daddy i'm in love with a thug  
daddy i'm in love with a gangsta.  
daddy i'm in love with a thug,  
dont be mad cause i'm in love with a gangsta (2xs)

(knightowl talking)  
this is going out  
to the one  
thats made my life complete  
for you have got to be  
an angel sent from up above  
cause aint no other girl that  
would've put up with the kinda shit i do  
i'm a criminal.  
i'm a gangsta.  
and i do all that kinda shit that evil fools do  
but you stick by me.  
no matter what happens and  
I love you

much respect.

(chorus)

Daddy i'm in love with a thug

daddy i'm in love with a gangsta.

daddy i'm in love with a thug,

dont be mad cause i'm in love with a gangsta
