When I saw you
I thought that you were the one
Looking good, I assumed you were handy
You introduced yourself as handy

I thought you were the handy-man
I laid my love in your hands
Andy, my man
I thought you were the handy-man

Then something went wrong
And the feeling was so gone
Slipped the hammer on your thumb
And the saw got caught in your thong

I thought you were the handy-man
I laid my love in your hands
Andy, my man
I thought you were the handy-man

Then something went wrong
And the feeling was so gone
Slipped the hammer on your thumb
And the saw got caught in your thong

I thought you were the handy-man
I laid my love in your hands
Andy, my man
I thought you were the handy-man

I thought you were the handy-man
I laid my love in your hands
Andy, my man
I thought you were the handy-man

Handy-man
Handy-man
Handy-man
I thought you were the handy-man

Handy-man
Handy-man

Handy-man
I thought you were the handy-man
