one night to be confused
one night to speed up truth
we had a promise made
four hands and then away

both under influence
we had demons in
to know what to say
mind is a razorblade

to call for hands of above
to lean on
wouldn't be good enough
for me, no

one night of magic ruck
the start of simple tuck
one night to puch and sreem
and then releaf??

ten days of perfect tunes
the colors red and blue
we had a promise made
we were in love

to call for hands of above
to lean on
wouldn't be good enough
for me, no

to call for hands of above
to lean on
wouldn't be good enough
for me, no

and you, you knew i had to fight devil
and you, kept us away with wolf teeths
sharing different heartbeats
in one night

to call for hands of above

to lean on
wouldn't be good enough
for me, no

to call for hands of above
to lean on
wouldn't be good enough
for me, no
