Back the fuck up and never rush a fool like me  
Or be the next I leave in misery  
Up in this game we all the mothafuckin same  
You oughta know by now bullets have no name  
So think about it would you like to beocme the next  
To get the lead engraved all up in your fuckin chest  
I'll crack a mothafuckas dome and watch them bleed  
My 38 snub nose I have got to feed  
I watch em all collapse they're taking naps in dirt  
I'm tryin to kill mothafuckas I don't wanna hurt  
Who be the next to try and step to me and die  
It's too fuckin late mothafucka not don't you cry  
You made the choice so now you got to fuckin pay  
You played the game so now you got no fuckin brains  
You rest in piss cause you was trien to fuckin diss  
You be that PUNK MOTHAFUCKA that don't exists
