If you with it, then I'm with it
We can do it in a minute
Open up and let me hit it
Big hips I'm workin' with it

Born and raised, that's why I love LA

Got my life then I'ma live it
Need some money, I'ma get it
Shoot first then get a grip
That's about how Cali live it

Lookin' for a super chicken
I can give a super dick in
Her man don't even know she missin'
Everyday

Chrome 100 spoke spinnin'
Glocks spittin', Hennessey sippin'
Wanna party, I ain't trippin'
64 hittin', stay representin', I was

Born and raised, that's why I love LA

I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
You know there ain't a damn thing changed

You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA

Cadillac 4 do with a ho named Po Ko
Spit flame, got the rap game in a choke hold
Hoppin' lo lo's on Dayton Danes in mo mo's

Born and raised, that's why I love LA

Ain't no place like home, I hate being on promo
I don't like dressin', I don't smoke hydro
Yeah, I got kush and I roll with a fo fo
Bulletproof vest and a kilo of do do

Minglin', I'm dippin' and dabbin'
I don't care if that's yo bitch I'm still stabbin'
You pulled heat and don't pop I'm laughin'
I was

Born and raised, that's why I love LA

I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
You know there ain't a damn thing changed

You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA

I'm gone keep dippin', yeah
I'm gone keep switchin' lanes
I'm gone keep ridin'
And you know there ain't a damn thing changed

You pop lock, we pop glocks
I just came to have some fun and get drunk
In the club I came to party
Born and raised, that's why I love LA

Born and raised, that's why I love LA
