Whatchu want?
Whatchu want?
Get off me

[Knoc] I pull quick, it's useless
[Knoc] I'm fully clipped, 6 fo' fully dipped
[Knoc] Throw chrome whip with three freaks and full
hips with firm tits
[Dr.D] Yeah we fully chipped, been on gangsta shit
[Dr.D] It's ruthless, drunk off toothless
[Dr.D] Who make hits? (Dre)

[Knoc-turn'al]
Who we wit? (Knoc)
Westcoast parties don't stop
Who drop head-boppers? (The head doctor, bed-
rocker)
Police pursue me in squad cars and helicopters
Checkin lockers, Mexican connect to play soccer
PH's and cockblockers
Ho-hoppers, weez niggaz is off the rocker
Sippin cranberry juice on rocks with vodka
We're pocket popperin, red foxes die (for real)
Takin names and takin orders
Ya fake ya name, and I'm all up on ya
Nigga that's Cali-fornia
Palm trees and 6-3's on deez
Rims dip to make the spokes go to
Slangin boulders, thought I told ya
True soldiers, comin from the motherfuckin shoulders
(WOOP!)

[Hook: Missy Elliott]
Take it ea-say! (ea-say)
'cause it's the motherfuckin KNOC!
Hotter than yo' block fulla motherfuckin COPS!
Bow down when ya see me!
Knoc the truth best believe it!
Take it ea-say! (ea-say)
'cause it's the motherfuckin KNOC!
Hotter than a freak who givin head who won't STOP!
Bow down when ya pass thru!

Knoc-turn'al God damn you!

[Knoc-turn'al]

What's the difference between us? (Nah not that again)

New songs, and new cars, and new broads, and new
thongs

On Crenshaw Boulevard - Line 'em up at the bar

Girl you know who we are, hip-hop superstars

Roll deep? Nah, we roll hard and deep

Bogart yo beef get the fuck off my street

Getcha motherfuckin ass beat

L.A., Compton, Long Beach, whooptie-whoop nigga
what?

I don't give a fuck

Hustlers, hood-rats, sick-ass thugs - Crips and Bloods

(Hell nigga!) All my real niggaz raise it up

Nuttin but dubs, you got a sack, nigga what?

Raise it up

[Hook: Missy Elliott]

[Knoc-turn'al]

Bitch you ain't 'bout shit, my bad

Turn off the lights, don't trip

Give a nig' some ack wipe, and act like..

You might.. lick balls tonight

Girls all pause, hell nah, girls drop draws on site

Do drugs, shroom cups, smoke bud, all night

That's right, I like.. my sexual women, fuck dykes

Suck dick? No, but your father might

Fuckin hermaphrodite!

Duck the IRS, fuckin Howard Stern's wife

In traffic, bitch gave me head in real life

L.A. city lights, C.A. get it right

Westcoast on the grind, these niggaz done lost they
minds

Straight loungin in the sunshine

Here's one thing you bitch niggaz must know

Fuck you! Please believe that, and I mean that

[Hook: Missy Elliott]
