Empty stomach on the street, Oi Oi Oi
Slamming to the punk rock beat, Oi Oi Oi
Drinking till the sun goes down, Oi Oi Oi
Tearing up this fucking down, Oi Oi Oi

Sadist bastards telling me,
How to think and how to be.
Filtered truth, and obvious lies,
Money scams and alibis.
Politicians don't fool me,

I'm a punk at heart and living free.
Fallacious truth and alibis,
Arrogant pigs won't blind my eyes.

Empty stomach on the street, Oi Oi Oi
Slamming to the punk rock beat, Oi Oi Oi
Drinking till the sun goes down, Oi Oi Oi
Tearing up this fucking down, Oi Oi Oi
