

Knocked Out Cold "Robot America"

Visit "[Robot America](#)" on MotoLyrics.com

Products of mass production, on the verge of self
destruction.

Forced into brainwashing classes, forced to attend
Sunday masses.

Forced fed bullshit through dim eyes, implanted with
the best money buys.

Microchips put into our skin, to help the global leaders
win.

Robot America x4
Complacency

Robot America x4
is what they need

Products of mass production, on the verge of self
destruction.

Forced into brainwashing classes, forced to attend
Sunday masses.

Forced fed bullshit through dim eyes, implanted with
the best money buys.

Microchips put into our skin, to help the global leaders
win.

Robot America x4
Complacency

Robot America x4
Is what they need
