Drinking beer to make times good (it's a way of life)
To forget the things that I should (it's a way of life)
Fucked up times that I recall (it's a way of life)
My life's about to fucking fall (it's a way of life)

It's a way of life whoa whoa

You become a stereotype and you're under arrest (it's
a way of life)

A mug shot taken, and a show was missed (it's a way of
life)
Bloody walls and bloody knuckles (it's a way of life)
He's fucking pissed, but he still chuckles (it's a way of
life)

It's a way of life whoa whoa
