Look at me. I'm playing mind-games with myself and I can't help it. Can't you see frustration's hit me where it counts. I'm so pathetic. You're all I ever wanted and now that I've got it I don't know what to do. I'm going crazy over you. Never thought I'd act like this, never guessed my heart would get this big and mess up everything. Maybe I just care too much, I'll try hard not to overanalyze. Sometimes it hits me by surprise. Crazy over you.
