feat Samuel Christian

[Samuel Christian]

You ready?

[Knoc-Turn'al]

Yes, ha ha ha

Yeah, yeah

Let's go, I like singing

[Knoc-Turn'al]

My music, my life, my heart, my soul

My music, my everything, I give my all

My wife, my daughter, my love, my dream

My mother, my father, my brother, my team

My camp, my squad, my house, my car

My boat, my shoes, my pants, my shirt

My coke, my sugar, my cream, my butter

My toast, my all, my queen, my folks

[Chorus: Samuel Christian]

My baby!

Walk like six strings talk like she's my everything

My baby!

Loves me, hates me, leaves me, runs right right, that  
sexy...

Baby!

All I know, she shed's all my confusion, so...

My baby!

Will not run from anything, I swear, this goes

[Knoc-Turn'al talking]

Lord will lay me down to sleep

I pray the Lord my soul to keep

Cause if you die before I wake

I pray the Lord my soul to take

[Knoc-Turn'al]

She's thick, she's bad, so clean, she fine

She loves, she hates, she laughs, she cries

She hurts, she lies, she's Bonnie, I'm Clyde

She's ghetto, she's real, she sings, she rhymes

She comes, she goes, she lives, she dies  
She sexy and bomb, she blows my mind  
She stays in line, she's smart, she's funny  
She's crafty and cunning, in the game she's running  
Her lips, her back, her waist, her thighs  
Her face, her skin, her hair, her eyes  
Her voice, her shape, her hips, her mind  
Her love, her smile, her touch, her time

[Chorus]

[Knoc-Turn'al]

I'm typsy, I'm through, I'm drunk, I'm blunted  
My way, my day, my life - I love it  
I move, I groove, I shake, I love it  
My friends, my kins, I like, I love it  
I show, I prove, I live, I learn  
I show, I teach, I run these streets  
My kin, my heart, my heat  
My rhythm, my rap, my beat  
My life, my head and my feet  
My heart, my soul, my candy, my cake  
My platinum, my gold, my land, my gate  
My Benz, my lake  
My keys, my money, my love, my hate  
My clothes, my phone, my house, my home  
My money, my comb  
My sugar, my spice, my base, my chrome  
My rhythm, my music, my home My world, my girl, my  
life, my home, my... [Chorus 2x - til fade]
