I know that you're hiding things  
Using gentle words to shatter me  
If words were like a dream  
Our dreams could never fall in  
Not that easily

I acted so distant then  
Didn't say goodbye before you left  
But I was listening  
You'll fight your battles far from me  
Far too easily

Save your tears 'cause I'll come back  
I could hear that you whispered as  
You walked through that door  
But still I swore  
To hide the pain when I  
Turned back the pages  
Shouting out a breathy answer  
What if I cried my eyes out and  
Begged you not to part?

But now I'm not afraid  
To sing what's in my heart...

'Cause thousand words  
call out through the ages  
They'll fly to you  
Even though I can't see  
I know they're reaching you  
Suspended on silver wings

Oh a thousand words  
and a thousand embraces  
Will cradle you  
Making all of your weariness  
Seem far away  
They'll hold you forever

Oh a thousand words  
Have never been spoken

They'll fly to you  
They'll carry you on  
And back into my arms  
Suspended on silver wings

And a thousand words  
Call out through the ages  
They'll cradle you  
Holding all of the loneliness  
To only days  
They'll hold you forever

A thousand words
