Smiling face and laughing eyes  
But you keep on telling me all those lies  
How do you expect me to believe  
Honey I ain't that naive  
Baby I got my eye on you  
Cause you do all the things that I want you to  
Stop your crying and dry your tears  
I ain't that wet behind the ears

You can throw me lefts  
And you can throw me rights  
but where was you last night  
Beating around the bush

Wish I knew what's on your mind  
Why you're being so unkind?  
Remember those nights we spent alone?  
Talking on the telephone  
Thoughts of you go through my brain  
You told me that you felt the same  
You told me that you love me too  
Tell me who was there with you?

I was talking birds  
And you was talking bees  
Was he was down upon his knees  
Beating around the bush

You're the meanest woman I've ever known  
Sticks and stones won't break my bones  
I know what you're looking for  
[You ate | you've eaten] your cake, you want some  
more  
I'm gonna give you just a one more chance  
Try to save our romance  
I've done everything I'm gonna do  
The rest is up to you

You can chew it up  
And you can spit it out  
Let it all hang out  
Beating around the bush
