Here lies another victim raised by a religious family.
His parents family values were no match for Ozzy. Not
responsible for what becomes reality. Hide behind your
guise of art your Broken Record. You can't hold me
accountable for what I do. Yo M & M yeah he told me to.
Pull yourself together Eddie Vedder spoke to me so I
brought a gun to school to copy Jeremy. Gold records
line the walls of hell. Excuse me while I kill myself. If
this is the voice of my generation. There's no way in
Hell, that the violence in music and movies
desensitizes. I wonder what was OJ's favorite cd. You
can't hold me accountable for what I do Marilyn Manson
told me to. I know every word to the ice cube cd, so I
brought a gat to school cause I wanna be a g. If this is
the voice of my generation take my microphone away
from me. With this song you will relate, because it's
dark and filled with hate.
