It's A World Of Laughter, A World Of Tears
It's A World Of Hopes And World Of Tears
There's So Much That We Share That It's Time
We're Aware
It's A Small World After All

It's A Small World After All
It's A Small World After All
It's A Small World After All
It's A Small, Small World

There Is Just One Moon And One Golden Sun
And a Small Means Friendship To Every One
Thought The Mountains Divide
The Oceans Are Wide
It's A Small World After All

It's A Small World After All
No Matter If Big Or Small
Come Everybody Just Bounce To This
Let's Bounce To This Spread Some Love
With A Little Twist

It's A Small World After All
No Matter If Big Or Small
Come Everybody Just Bounce To This
Let's Bounce To This Spread Some Love
With A Little Twist

It's A Small World After All
It's A Small World After All
It's A Small World After All
It's A Small, Small World

It's A Small World After All
It's A Small World After All
It's A Small World After All
It's A Small, Small World

It's A Small World After All
It's A Small World After All

It's A Small World After All
It's A Small, Small World
