I don't know why I'm leaving  
My heart is leading me.  
Though I can't say it in words,  
Let me tell you with my eyes.

Why is it that everytime I think of you  
emotions become kind?  
Its that kind of feeling  
That I can't let go.

I'll hold you inside my heart  
Thats the way it should be.  
The melody cuts through, and keeps on playing  
Oceans Apart  
Longing to be with you again.

I am strong,  
But when you talk to me honestly  
Feelings overcome me  
And I want to tremble.

The former light from your chest  
Has left a present  
Holding it close,  
I close my eyes.

I want to show you all the things I see  
I want to tell you my feelings  
But I can go on, leaving you behind.  
Oceans Apart  
Longing to be with you again.

You are illuminated with a pearl's glitter  
It outshines the sea  
I believe in these feelings, and will never forget them.  
Oceans Apart  
Longing to be with you again.

I'll hold you inside my heart  
Thats the way it should be.  
The melody cuts through, and keeps on playing

Oceans apart  
Longing to be with you again.
