I been staring at your photograph  
Wondering where you're at today  
And I've been hanging by the telephone  
Hoping that you'd call home and say

But you told me you needed  
More walks, more talks  
More feeling close to me  
I wanna be close to you

I didn't know you needed  
Some roses, some romance  
A little candlelight and slow dance  
That's not how it's been

But maybe we can try again  
Try, try, maybe we can try again

I remember all the days gone by  
And I'm wondering why I couldn't see  
That I could search the whole world over  
And never find what you  
Were always giving me

I told you I needed more time  
More space, more freedom  
(Free to do) free to do, girl  
What you wanna do

I gave you no roses, no romance  
No candlelight and no slow dance  
But that's just how it's been

Maybe we can try again  
Try, try, maybe we can try again  
Try, try, maybe we can try again, yeah

Ooh, I remember when you  
Told me you needed  
More walks, more talks  
More feeling close to me  
I wanna be close to you, yeah

I'll give you some roses  
Whole lot of romance  
A little candlelight, slow dance  
Don't let this feeling end

Maybe we can try again  
Try, try, maybe we can try again

Maybe we can try again  
We can try again  
Maybe we can try again  
Maybe we can try again  
We can try again  
Maybe we can try again

Maybe we can try again  
We can try again  
Maybe we can try again...
