Johnny worked two jobs  
He never missed a day  
His family never saw him  
They tried to come home on his break

Too much weight strapped to his back  
He had himself a heart attack  
Died at 41  
He gave his life away

Taking it all from me  
Soon to be the next minority  
Taking it all from you  
Would you like to be a sucker too?

Dawn works at the mall  
Has a baby on the way  
Her boyfriend went AWOL  
They're gonna have it anyway

Ten years pass, she's up to eight  
All supported by the state  
Her smokes and alcohol  
Are coming from my pay

Taking it all from me  
No social security  
There's nothing left for you  
Would you like to be a sucker too?

I'm not stupid  
I know when I'm being exploited

On my way to vote today  
I don't like either candidate  
Giving up my afternoon  
For the lesser of two evils I have to choose

Sean is on the right  
He goes to church every Sunday  
My girlfriend's on the left  
She's pro-choice all the way

Right or Left, Repub or Crat  
I don't subscribe to any of that  
I've got no love for either one  
I'm last priority

Sit there and pretend not to see  
You're being programmed how to think  
Are you tired of them fucking with you  
Would you like to be a sucker too?

Don't believe everything that you read  
Or the shit they show you on TV  
Hey, have you heard the news?  
How's it feel to be a sucker too?
