Blushing, getting exciting
Getting Hot my heart races!!
It gonna burst out, it's gonna shoot out!
My heart is at High Tension!

I came here searching for my destined one, but
rolling up my sleeves, it's hard choosing a girl.
These flowers are all at full bloom,
I'm so happy! I'm caught in blooming season!

But why, why did he have to find out my secret?
He looks so pushy!

I was found out by him, I'm coming out...
I'm being attacked, I'm being tormented! Stop it!
Stop it! Ahh~n!

I'm driven up to a corner! I'm getting abused by
him!
He handles me with the carrot and stick policy...
I'm being tormented, so much that I want to run,
but his face is so my type!

Sobbing, getting hot,
raging, it's so exciting!
It gonna burst out, it's gonna shoot out!
Nosebleed at High Tension!

My delusion mode is in good shape right?
My screams too are wound up in joy...
My harem's state gets me called a 'bug'
but even if, I'm entranced by it!

I won't touch them...but with the hand of my heart,
I'll nonchalantly get a hold of them~

I was jerked out, Iâ€™m coming out!
I want to be buried deep, way deep! Ahh~n!

My hobby is to play with
with a negligee wearing baby doll,
even if you understand, even if Iâ€™m spoken ill of,
Iâ€™ll seriously still be tempted to do it!

But why, why did he have to find out my secret?
He looks so pushy!

I was found out by him, Iâ€™m coming out, Iâ€™m being
attacked, Iâ€™m being tormented! Stop it! Stop it!
Ahh~n!

Iâ€™m driven up to a corner! Iâ€™m getting abused by
him!
He handles me with the carrot and stick policy...
Iâ€™m being tormented so much that I want to run,
but his face is so my type!!

Blushing, getting exciting
Getting Hot my heart races!
It gonna burst out, itâ€™s gonna shoot out!
My heart is at High Tension!
