My hands yubi no sukima ni koboreru....
Can't you see the blue sky
Just now ashita ni hashiri daseru
Let's head down to beach

Kimi to ita ano natsu no hi
Nami no oto kaki wake nagara
"Tokubetsu na mono" motometari shinai kara

Odoru Silhouette kono mama zutto
Toki o wasurete kaze ni rizumu makase
Furi kaerazu aruite ikou
Kimi ga iru kara tsuyoku natteku yo
Come with me to the sun

Last night owari tsugesou na tameiki
Don't you let me go
Call back konai kara fuan ni naru
Here we vent my best friend

Yaketa hada ga wasurenai
Kokoro ni nokotta kesshou
Kazoe kirenai natsu no kioku hajikeru

Odoru Silhouette kono mama zutto
Wasurerarenai atsuku sugiteku hibi
Kitsuki dashita daiji na mono o
Zutto kokoro ni kizandeku kimi to
Come with me to the sun

Kimi to ita ano natsu no hi
Nami no oto kaki wake nagara
"Tokubetsu na mono" motometari shinai kara

Odoru Silhouette kono mama zutto
Toki o wasurete kaze ni rizumu makase
Furi kaerazu aruite ikou
Kimi ga iru kara tsuyoku natteku yo
Come with me to the sun
