Somebody saw you in the parking lot
With a girl heading to the spot
Fergie Ferg

so now you're trynna play me like a fool
Kumi

That ain't cool,that ain't cool so
Let's go

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

Did you really think that I wouldn't find you out
I guess somebody decided to sell you out
They told me about her and what you plan to do
You tried to have your cake and eat it too
Well my dear it isn't gonna work that way
It really doesn't sit well with me to be played
Karmas come around with something to tell
When you hurt me you really hurt yourself

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

What you gonna do
What you gonna do about it?

Did you really think that I was really that easy?
Don't make me laugh,anata ni wa Tired
I'm gonna throw you out,that's what I'm gonna do.
A girl can have her cake and eat it too
I was just pretending to play that game

Ano ko* tachi to not the same
Don't come back to me like a child
I'm not your mommy,so say sayonara !!

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

What you gonna do
What you gonna do about it?

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so

Somebody saw you in the parking lot
With a girl heading to this spot
So now you're trynna play me like a fool
That ain't cool, that ain't cool so
