I just want kiss you
Smile me touch me
Why don't you hold me
Always for me

Mae ni susumou to omoeru
Yubisaki kara tsumasaki made
Boku ni totte no minamoto wa
Kimi dake dakara
Kodoku ya kabe ni butasukatte
Tsurai koto mo aru keredo
Ganbareru n' da
Kimi ga sotto waratte ireba

Namida ga hoo wo
Nagarete shimaizou ni naru
Sonna toki itsumo yuukidzukete kureru

Ookina sora uragawa made
Todoku you ni boku no negai wo
PURAIDO kakete tsutaetai
Kimi no egao aru kagiri

I just want kiss you
Smile me touch me
Why don't you hold me
Always for me

Konna hi wa chotto futari de
Umi ni demo itte miyou
Mata atarashii mono nanika nokoshite yukou
Juutai demo
Waraitobashite kuretaru suru tokoro toka
Yosou da ni shinai shippai mo zenbu itoshii

Shiroi kimi no hada ga kongari yaketeku...
Kioku no naka ni boku mo yakitsukitai

Shiroi BI-CHI CHEA- aoi umi
Soshite special na kimi to boku
Futari no kesshou no akashi

Kukkiri to mizugi no ato

Namida ga hoo wo

Sonna toki itsumo yuukidzukete kureru

Ookina sora uragawa made
Todoku you ni boku no negai wo
PURAIDO kakete tsutaetai
Kimi no egao aru kagiri

Shiroi BI-CHI CHEA- aoi umi
Soshite special na kimi to boku
Futari no kesshou no akashi
Kukkiri to mizugi no ato

I just want kiss you
Smile me touch me
Why don't you hold me
Always for me
