Kisetsu wa itsu no ma ni ka toorisugite yuku
Dakedo kokoro no naka de

Nanika ga hikitomeru
What he said to me
Denwa de hanasu koe mo
my feelings have changed

So jibun no kokoro no naka toikakete miru
open my heart now
Dare wo kanjiteru?
Itsu datte shisen no saki
Itsumo kimi ga ita-tte koto
Watashi no kokoro ubau no

Machijuu momoiro ni sakiyokotte iru
Marude kimi no you da ne

Kimi no koe wa sotto tsutsumikonde kureru
but bukiyou na kotoba de
cause you sorrow

Sunao ni baby tsutaetai no

Itsumo dokoka de se wo mukete
Mienai fuan ni
chuucho bakari kekkyoku wa sou
Nokoru no wa koukai dakedo
Kiite hoshii yo kono omoi

Donna ni chikaku ni itemo taisetsu na
koto dake ga ienakute...
Kono omoi

Nee jibun no kokoro no naka toikakete mite
open my heart now
Kimi wo ima kanjiteru
Itsu datte shisen no saki
Itsumo kimi ga ita-tte koto
Watashi no subete Your only one
