I got 29 ways just to get to my baby's door
I got 29 ways just to get to my baby's door
And if he need me bad I can find about two or three
more

I got a way through the window,
I got a way down the hall,
and if the goin' get rough I got a hole in the wall
I got 29 ways to get to my baby's door
And when he need me bad I can find about two or three
more

I got 29 ways just to get to my baby's door
I got 29 ways just to get to my baby's door
And when he need me bad I can find about two or three
more

Now I got ways that I never have said
I got a trapdoor right under his bed
I got 29 ways just to get to my baby's door
And when he need me bad I can find about two or three
more

I got 29 ways just to get to my baby's door
I got 29 ways just to get to my baby's door
And if he need me bad I can find about two or three
more

I got a way through the front,
I got a way through the back,
I got a loose hole and I can ease through the crack
I got 29 ways just to get to my baby's door
And if he need me bad I can find about two or three
more

I got 29 ways now
I got 29 ways y'all
I got 29 ways yeah
I got 29 ways now
I got 29 ways just to get to my baby's door
