Haruka tooi daichi no hate ni
Atsuku moeru yuuhi ga shizumu
Mada mime sekai he omoi wo hasete
Takanaru kimochi wa inori ni kawaru
Kono hoshi no dokoka de naiteru dareka no
Warai goe ga kikoeru hi made

Kodomo-tachi no hitomi ni utsuru
Kibou no hikari wa yuuki wo kureru
Chiisa na watashi ni dekiru koto nante
Sekai wa hirokute wakara nai kedo
Sumi wataru aoi sora ni tada hitotsu shinjitai
Ai wa chikyuu wo sukuu no ka na

Kanashii me wo shita kodomo wa
Kurikaesu araso no gisei
Kore ijou ai wo ai wo kegasa naide
Sotto sashi nobeta te wa
Toji fuseta kokoro no tobira hiraku yo
Kitto nanika dekiru to shinjitai

Stay with me...

Sumi wataru aoi sora ni tada hitotsu shinji tai
Ai wa chikyuu wo sukuu no ka na
Mou anata ni ae nakute tada koboreru namida
fukudake
Sumi wataru aoi sora ni tada hitotsu shinjitai
Ai wa chikyuu wo sukuu no ka na
