It's not that I've lost my heart
it's just that I'm worried that what I'll remember will be
something scary
This warmth that I have forgotten
was just an illusion that just slips through my hands
As I'm being crushed now
I want to see a new morning at least once more.

I pretended I didn't feel anything at all,
but there were times when I have been intimate to this
world.
During the nights where I hid and cried,
I felt like something would make a noise and break me.
Thinking about it makes me feel it
but that's fine, I just want to live and see tomorrow.

transparent (x8)

transparent (x8)
I'm becoming an illusion

transparent (x16)
I'm becoming transparent!
