* Hey na na na na na na na na na
Hey na na na na na na na na na
Hey na na na na na na na na na
Hey na na na na na na na na na

I, I gotta message for you (for you)
Sometimes I cry (I cry)
Cry a little bit too (oh yeah)

This world we're livin' in (livin' in)
Sometimes you get so lonely (so lonely)
No point in givin' in (givin' in)
Just look around

Open your eyes
See all the love in me
I got enough forever
Don't be afraid
Take all you need from me
And we'll be strong together

* Repeat

(You make me feel so good)

Hey, if you're out in the cold
Tonight
You gotta call me
I'll be waitin'
Things will be alright
Cos I've been there
And I've seen it
Yeah I've been there

Open your eyes
I got enough forever
Open your eyes
I got enough forever
Forever

Hey na na na na na na na na na (forever) (x4)

We'll be strong, we'll be, we'll be
Forever
