Semalam I call you you tak answer
You kate you keluar pergi dinner
You kate you keluar dengan kawan you
But when I call Tommy he said it wasn't true

So I drove my car pergi dengan sarah
Tommy kate maybe you tengok bola
Tapi bila I sampai you you tak ada

Lah gila I jadi gila

So I call then call sampai you answer
You kate sorry sayang tadi tak dengar
My phone was on silent I was at the gym
Tapi later belakang suara perempuan lain

Sudahlah sayang I don't believe you
Folks know your words were never true
Why am I with you I pun tak tahu
No wonder lah my friends pun tak suka you

So I guess that's the end of our story
Akhir kate she accepted his apologize
Tapi last last kita dapat tahu she was cheating too
With her ex boyfriends best friend...
Tommy.
