I'd rather go blind

Something told me it was over,
When I saw you and her talking yeah.
Something deep down in my soul said cry,
When I saw you and her walking yeah.

So you see I'd rather go blind,
Than to see you walk away from me.
Cause you see, I love you so much,
And most of all, most of all I just don't wanna lose you.

(lead break)

I was just, I was just sitting here thinking, thinking
about you baby,
Bout your kiss and your sweet embrace.
When the reflection in the glass that I held to my lips,
Revealed the tears that were on my face.

So you see I'd rather go blind,
Than to see you walk away from me.
So you see, I love you so much,
And most of all, most of all I just don't wanna lose you.

Cause you see I love you so much,
And most of all, most of all, most of all I just don't
wanna lose you.

Oh baby, Oh baby Oh baby I love you so much,
And most of all, most of all I don't want to lose you.
