Open the realms of the deceased  
Opening as silence dies  
I can't maintain this hunger  
-Strike these fields in battlesomber

[Chorus:]  
Listen...to vague cries  
Of distant times  
-Of unborn lives - Torn

Can't control it any longer  
Strike these fields as powermonger

[Repeat Chorus.]  
7. Demonride

Come ride the demon with me

Sent is the one who commands you to do  
The acts of a mind that'll ravage your kind  
-Demonride

A perfect creation is all that I am  
No lusts to corrupt gained will of the damned  
-Demonride

[Chorus:]  
Gather, exist, come, join, rise  
In demanding quests  
Come ride this demon - take my hand  
Entangled in my sins - surrender, fulfill my bidding  
Ride the demon with me

Tragedies impend  
Savage souls are sent  
Ravaged lives will end  
As fates so foul descend

Come on ride the demon  
Embrace this tragic season  
Defy course & reason  
Mocking attempts so fearsome

[Repeat Chorus.]

Repenting quests  
They entangle my sins - decline, undo my bidding  
Feel my demonride  
DEMONRIDE
