(Hook)

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

(Verse 1)

Me, I ain't never gonna stop I'm'a keep on pushing till I
break surface

At the top, untill I drop, and even after I'm gone, You
gon' feel the love,

And the pain behind my songs. I'm gonna make it to
the top, pushin like

There's no tomorrow, I'm' ado it on my own I'll never
beg steal or borrow,

Take your pity, Prayer, and sorrow and shuv it so far up
your ass.

Why you trying to help me now? You never did it in the
past. Yeah I got a

Little change, and some people know my name, yeah
I'm still up in the game

I'm living life just the same, cept, well, on a much
bigger level. like when

Sinners becom holy but still mix company with devils.
I'm a rebel. I win

Some but loose most. I'm the product of hatred and
those kisses, so

Gin soaked. A heavy over-dose of a truly broken home.
A shell left so

Alone where the hell am I gonna go? To the top.

(Hook)

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

Me, I ain't never gonna stop I'm'a keep on

Pushing till I break surface at the top.
Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

(Verse 2)

Me, I'm just fulfilling my dreams, all the things you said
I shouldn't
Or couldn't do. So it seems, that me, I'm'a do alright,
not bad for a
Man with a soul as black as the night. Even tho some
nights I'm
Pacing back and fourth, across the floor, wondering
could I have done
A little more. Then my eyes open wide, all those
hopeless nights I cried,
Trapped on the inside, nowhere but home to hide.
Sinking, Fall back
Deep in ya seat, this my therapy, to you it's words on a
beat. I'll reap
Rewards so sweet, cause I aint never gonna flop. One
man, one goal,
And I'm going straight to the top. You doubt me still?
Yeah I bet you do.
Yeah blood is blood. Yeah I hate you too. Yeah I do
think about it,
And you know what gets me through? huh? Nothing,
yeah that; s just like you.
To The Top.

(Hook)

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.
Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.
Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.
Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.

(Verse 3)

Me, well a part would like to thank ya, but I'm not sure If
I should believe
Myself ot just give you the finger. And I don't know if I
can trust myself,
I've made me such a stranger, kidnapped by my anger,
set astray by the
Danger. Loosin sight of what is real, setting sight on
what's been lost. So I
Can try to fit the pieces back before they tossed. And

I'm looking down
From up on high, I know who you are, but who am I?
What's these lies
And this disguise? Below the bottom I reside. Trapped,
But I'm starting to
Climb. Up the ladder out the door, escape the hate in
my mind. I need to
Find a new resolve, I need no one to help me solve.
Break the surface, loose
These walls and dust myself of from the falls. To the
top.

Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.
Me, I ain't never gonna stop I'm'a keep on
Pushing till I break surface at the top.
