Why, want you see me die
Shy
Answer my mind
Forgive me die

I like this time
I like suicide
I like suicide

Forgive me die
Forgive me shy
I like my fly
Why don't you try

Why want to see me die
Shy

I know you can try
Forgive me die
I like suicide
I like suicide
Why don't you try
Forgive me shy
Forgive me die
I like suicide
I like suicide
Forgive me die
Forgive me shy
I like suicide
I like suicide

Why don't you try
To forgive me die
Forgive me shy
I like suicide
I like suicide!
