Out of reality I ask myself how long It will go on, An hour a day a life Don't waste your time Your eyes are not blind You can see out of your mind Sometimes it happens Sometimes it happens to me Just leave all behind this wall And throw away... away You cannot fall

Taking my soul Show me your fun Making a dance Rise up your fists... ah!... ah!... Rise up your fists in the air

Watcha think about me now? ... even if I cannot find it? Watcha what's gonna be around ... even if I cannot find it?

Watch out!... watch out! Watch out!... watch out! Down!
