Her skin is salty sweet, she wore sandals on her feet  
Side by side we fell asleep in her mother's bed  
She stepped inside of me, she said don't ever lie to me  
This heart of mine can be yours  
Yea that's what she said  
But I just played the role, broke the heart I stole  
Cause I was young and dumb and fucked up in the  
head

Chorus

Do you want to be loved for real, do you want to be  
loved for real  
Do you want to be...loved, (Yes, I wanna be loved for  
real)  
For real, (Do you want to be in love for real)  
(Yes, I want to be in love for real)

Now, I'm down by the river, taking off my shoes  
Jump in the water, wash away these blues  
Now out into the ocean, the current takes hold  
Words already been spoken, tales already been told  
Heart's already been broken, wounds already been  
healed  
Do you wannabe loved, do you wanna  
Do you wannabe love for real.

Chorus (2x)

Her eyes were hazel brown, she laughed the sweetest  
sound  
And I just loved the way she lit up when she spoke  
She help to ease my pain, she stayed through pouring  
rain  
And I gave her all that she could take till she broke  
She fit me like a glove, she taught me how to love  
And for some ass I watched it all go up in smoke  
Chorus (4x)
