When we were young life was easy  
Those summer days seemed to last so long,  
We had the world and each other,  
But now i fear that those days are gone,  
Now i don't know who to turn to,  
i've cried each day since you went away,  
Thinkin about all the good times,  
Searchin for words that I need to say.

Girl I need you in my arms again (baby),  
I wanna hold you forever more,  
We never knew what we had been,  
But baby its all that I'm livin for,  
Baby come back,  
There's nothin in this world I wouldn't do,  
For You.

Right now isn't so easy,  
Those summer days seem so long ago,  
Thinkin about those old feelings,

Love was once something I used to know,  
But now i've learned just what you mean to me,  
I'll find a way,  
To carry on Baby.

Girl I need you in my arms again (baby),  
I wanna hold you forever more,  
We never knew what we had been,  
But baby its all that I'm livin for,  
Baby come back,  
Theres nothin in this world I wouldn't do,  
For You.

(Piano Solo)

Girl I need you in my arms again (baby),  
I wanna hold you forever more,  
We never knew what we had been,  
but baby its all that I'm livin for,  
Baby come back,  
Theres nothin in this world I wouldn't do,

For You.
