So what if it's 1999
I've sworn that life should be all mine
And so I sold my soul
To achive that one and only goal
And see those empty eyes
Just people expecting compassion
For their cries
Just the cattle in an endless stream
Expect to be heard above the screams

To bleed again
To cry again
To bleed again
To bleed again
To cry again
To bleed again

And see those empty eyes
And then just realized
How the unjust defies
Their own godgiven lives

And so you'll bleed again
And so you'll bleed again

You say they will save you
I say they'll rather kill you
And then not have to reed
The offspring you breed
Cause there is no god
There is not one to trust
And if that's what you believed
How clearly you've been decieved
How clearly have you been decieved

And see those empty eyes
And then just realized
How the unjust defies
Their own godgiven lives

And see those empty eyes
And then just realized

How the unjust defies
Their own godgiven lives
