Rejected
Rejected out of society
The Violence
Just violence is my truly love
I fuck the trendy fitting stuff
Adrenaline this is my life
Throw worthless mercy away from me
What is that mean Law of this world?

Law
Law of this world!
Law
Law of this world!
Injustice and trash
Law
Law of this world!
Law
Law of this world!
Injustice and trash

Morality,
Let's go angels;
Show me your hands
The Prophets
With their stupid of hypocrisy
You try to make you life as clearly
Believing you trying go to the heaven
All the time you were a whore
But now you gonna to be a sacred?

Harms
Harms
The harms
I'm not sensitive for the harms
The pain
Here animal instinct
is nothing new
Praying to pain, scream
to the silence
Out of control, out of the law
Like a hunter going through

the darkness
I break this ties to be a free

Inside your self
You waiting for the storm
Out of show you always
felling worst
Waste your sense
Waste your chains of mind
Stand as warrior
In this falling cause
