It's time for the seven o'clock show  
They can tell all we need to know  
Fresh footage from another war  
Much bloodier than what we've seen before, before

There are people who've seen worse  
They were present where the devil cursed  
Their camera the all seeing eye  
Let the world know the truly defiled

The truly  
The truly defiled  
The truly  
The truly defiled

Back at home we see the show  
But nothing more than they want us to know  
It's the edited truth of war  
Entertain and restrain me some more, some more

There are people who've seen more  
Seen the grinding teeth of war  
Fed their children to the warmachine  
And done things you wouldn't believe

They are  
The truly  
The truly defiled  
They're the truly  
The truly defiled

Byt they don't know  
Who the fuckruns the show  
The same who are building the weapons  
Own broadcasts for warring reasons  
Byt they don't know  
CNN runs the show  
The same who are building the weapons  
Own broadcasts for warring reasons  
They sell, they sell, they sell, they sell,  
They sell, they sell, they sell, they sell, the war

They sell, they sel, they sell, they sell the war  
The war, the war, the war, the war, the war

There are people who've seen worse  
They were present where the devil cursed  
Their camera the all seeing eye  
Let the world know the truly defiled

The truly  
The truly defiled  
The truly  
The truly defiled
