"Pray For War"

Our honor is dying
Our flag is burning
Identity bleeding
Agony of nation
Watch out!
Refuse their hands!
Don't trust!

Our blood is boiling
in our veins
Under the pressure
Your soil is crying
don't trust!
Watch out!
Stand in defense!

Chor.:
Pray for war
Every time, I pray for war
Every time, I pray for war
Every time, I pray, I pray for war

Governments action
They destroy our roots
No jobs, no horizons
Screaming!
Hey!
Screaming!
Let's get back our land!
Against our despair
The streets in the chaos
Just promises liars
To the sky!
Gods hear our voice!
To the sky!

Chor.

Money for bastards
Grave for the justice
Society falling
Thunder!

We calling for help!
Now freedom is call!
Poison to crowd
Misery pressing
But clouds are drawing
Rain!
Thunder! Rain!

Chor.
