### "World Citizen"

Visit "[World Citizen](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Intro:  
Supm different

It no matta weh yuh come from(no matta)  
No matta weh yuh born and grow(weh yuh grow)  
Man woman, boy and girl  
We are citizens of the world(yeah)

It no matta about yuh culture(no much yuh culture)  
The race of yuh ethnic group(come on)  
Man woman, boy (yo) and girl  
We are citizens of the world

Chorus:  
I say we all are one  
Why dont u understand  
Lets put an end to the segregation  
I say we all are one  
Why dont u understand  
Lets put a stop to the segregation

Verse 1:  
You coulda come from di Alps inna Switzerland  
Or di plains of the Motherland  
American, or Caribbean  
It nuh matta weh yuh come from(come from)  
Whether India nor Asia nor man is just a man

And it nuh matta bout yuh religion  
Rastaman or Christian  
Whether Buddhist or Islam  
You're just a piece of the puzzle of life inna di scheme  
of Jah Jah plan

Chorus:  
I say we all are one  
Why dont u understand(yeahh)  
Lets put an end to the segregation(yeahhh)  
I say we all are one(we are all one)  
Why dont u understand  
Lets put a stop to the segregation

Verse 2:

Hey

Skin colour

Cyan mek u betta than anyone equal is everyone  
Membra sej di same red blood run through di veins  
Inna every man think a like check and you will see

You might be reacher dan bigger dan fitter dan  
Link surgeon fi alter yuh genetic coordination  
Yuh cyan run from di program  
Yuh born as a human  
And a yuh are yeah

Chorus:

I say we all are one(come mek wi all reunite)  
Why dont u understand  
Lets put an end to the segregation  
I say we all are one(Say we all are one)  
Why dont u understand  
Lets put a stop to the segregation(to the segregation)

Hey

It no matta weh yuh come from(come from)  
No matta weh yuh born and grow(weh yuh grow)  
Man woman, boy and girl  
Citizens of the world

No matta about yuh culture(culture)  
Yuh race, ethnic group  
Citizens of the world  
Mek wi all join  
To the segregation  
Mek wi all join
