Kept neglect
I'd never expect for this to end
Again my future seems so distant all these tears
My dear
They are of no use anymore
This heart
Is blacker than it was before

I'm not holding on
But it's so hard to let go
My heart's beating on
If you can help then let me know
I'm not holding on
But it's so hard to let go
My heart's beating on
If you can help then let me know

If you can't take it anymore (it's too late for me to
bleed)
Your body's left under my floor (and I find it easier to
breathe)
The knife that pierced your neck and chest (the stench
it rots with each day's pass)
You're blood has stained my flesh
The blood that's dripping from your

Throat behold
The angst has brought me here and I will stay
To decay
And under this my concious
Is dead a thread
By which I'm hanging on by life I fall
I saw
This coming why didn't I just stay away
I'm not holding on
But it's so hard to let go
My heart's beating on
If you can help then let me know
I'm not holding on
But it's so hard to let go
My heart's beating on
If you can help then let me know

If you can't take it anymore (it's too late for me to
bleed)
Your body's left under my floor (and I find it easier to
breathe)
The knife that pierced your neck and chest (the stench
it rots with each day's pass)
You're blood has stained my flesh
The blood that's dripping from your throat

If you can't take it anymore (it's too late for me to
bleed)
Your body's left under my floor (and I find it easier to
breathe)
The knife that pierced your neck and chest (the stench
