Falling asleep
You were right beside me
I'm in too deep
And there's nowhere left to be
I can't believe
You're crawling back to me
It's time I see
You were everything to me

I can't believe
You're crawling back to me
It's time I see
You were everything to me
I want you so badly
But in the worst timing
I want you so badly
But nothing seems to fit

Falling asleep
You were right beside me
I'm in too deep

And there's nowhere left to be
I can't believe
You're crawling back to me
It's time I see
You were everything to me

I can't believe
You're crawling back to me
It's time I see
You were everything to me
I want you so badly
But in the worst timing
I want you so badly
But nothing seems to fit

I want you so badly
I want you so badly
I want you so badly
You were the only one
