You're a well of wisdom
I'm a puddle of folly
You're so full of giving
I'm the master of selfish living
Although I'm rotten deep
Down to the core
I'm still the apple that Your eyes adore

You are holy
And I am wholly a mess
I'm causing trouble
While You remain blameless
You'll always love me
As much as I need You
And I'm so thankful
That opposites attract

You functioned as a standard
Of humility
I'm often humbled by my
Dysfunctionality
The crowds surrounded you to learn to believe
But the only thing I'd teach someone
Is not to be like me... cause
