It feels like somebody should be dancing
Up in here
The love, the love is right
Be everybody's just standing
Ooooh ooo

All my fellas in the club just do what you do
(Ladies)
It's all about you
(Don't be)
Up against the wall
Up against the wall
The music in the club is bumpin'
So let's get it jumpin'
And get up of the wall
(Get up of the wall)

Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 6

Don't be shy
Go ahead and let yourself go
It's all you gotta do
It's so easy
Once you get out on the floor
Ooooh ooo

All my fellas in the club just do what you do
(Ladies)
Its all about you
(Don't be)
Up against the wall
Up against the wall
The music in the club is bumpin'
So let's get it jumpin'
And get up of the wall
(Get up of the wall)

Put your hands up high
Wave them side to side

To the left, to the right
Feels so good tonight X 4

Everybody grab somebody
Let the music move your body
Coz we're having a party, tonight X2

Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 4

(Feels so good tonight) X 8

Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 4
