She don't know who she is,
Oh, I can take her anywhere,
Do whatever comes naturally to you,
You know she just don't care,
You know she just don't care,

'Cause I'm always where,
I need to be,
And I always thought,
I would end up with you eventually,

Do do do-dododo, do do do-dododo,
Do do do-dododo, do do do-dododo

Now I see her again,
I have to be a hummingbird,
Whisper words in her ear,
Oh, you know I just don't care,
You know she just don't care,

'Cause I'm always where,

I need to be,
And I always thought,
I would end up with you eventually,

Do do do-dododo, do do do-dododo,
Do do do-dododo, do do do-dododo

[Guitar Solo]

[Outro]

Oooh wohwohwoh oh I'm a man on the scene,
I'm a man and I can be so obscene,
'Cause I always think I know how to be,
But I always thought I would end up with you eventually,

Do do do dododo, do do do dododo, Do do do
dododo, do do do dododo
