I know you're feeling bitter  
What i said last i didn't mean  
And now that I'm a little better  
This is what i meant to say

Babe i already miss you  
Sweetheart i already miss you  
Sweet eyes i already miss you  
And you only just walked out the door

You know i hate talking on telephones  
I'm so sorry its just my way  
And now that I'm a little older  
There's so much to you I'd like to say

Babe i already miss you  
Sweetheart i already miss you  
Sweet eyes i already miss you  
And you only just walked out the door
